

Career Opportunity

Service Technician/Electrician Abbotsford, BC

Role Summary

The Service Technician/Electrician will provide excellent customer service by responding to service calls on farm and via remote login or phone. This is a hands-on position involving installing, commissioning, troubleshooting, and repairing electrical, mechanical, and computerized equipment. Typical equipment includes motors, fans, winches, actuators, lighting, VFDs, PLCs, controllers, and egg collection and packing equipment.

The position will be responsible for duties such as:

- Install, troubleshoot and repair electrical and mechanical agricultural equipment and controls
- Setup, troubleshoot, and repair agricultural computer hardware and software
- Test and commission installed projects and equipment
- Communicate with the Service Manager to ensure scheduled calls are completed in a timely manner
- Complete and submit service orders and other paperwork daily as required
- Participate in an on-call rotation including evenings and weekends as scheduled
- Provide exceptional customer service and support by answering questions, providing information on maintenance of the product, explaining the work that has been done and providing solutions for recurring problems
- Continuous learning to improve skills through reading manuals and working alongside other Technicians

Desired Skills

- Grade 12 education or GED equivalent
- High level of electrical knowledge and understanding of safety procedures
- 4th year electrical or Red Seal Certified Electrical Journeyman Ticket is an asset
- Previous custom wiring and panel building experience is an asset
- Previous PLC programming and or wiring experience is an asset
- Ability to interpret wiring diagrams and schematics
- Understanding of agricultural equipment and processes
- Understanding of Variable Frequency Drives (VFDs)
- Exceptional interpersonal skills in dealing with customers, sub-contractors, and colleagues
- Independently motivated with a desire to learn
- Ability to periodically work out of town as required
- Ability to be on call; including evenings and weekends
