

# METASOL

## HEAVY-DUTY ALKALINE CLEANER & DEGREASER

**METASOL** is a high foaming degreaser which restores metal's appearance. It is specially designed for wash bays and is also used on buildings and equipment in the agricultural industry.

**METASOL** can be used manually or with an automatic system.

**METASOL** leaves a "like new" shine on metal surfaces when used as recommended.

## FEATURES AND BENEFITS

- Phosphate free
- High foaming
- Low viscosity
- Industrial strength detergency
- Compatible with most metallic and non-metallic surfaces
- Non-flammable
- Non-volatile

## DIRECTION FOR USE

<b>Surface to be cleaned</b>	Agricultural equipment and premises. Exterior of transportation vehicles.
<b>Soils to be removed</b>	Grease, oil, road films, exhaust deposit.
<b>Use procedure</b>	Use <b>METASOL</b> as directed. Can be used with high pressure foaming systems.
<b>Concentration</b>	1 % to 10 % (10 to 100 ml/litre).
<b>Temperature</b>	10°C to 75°C ( 50 to 167°F).
<b>Dwell time/Operation time</b>	3 to 15 minutes.
<b>Mecanical action</b>	High volume foaming and high pressure rinsing are recommended for stubborn soils
<b>Rinsing</b>	High-pressure water rinsing.

## PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Detergent
Specific gravity @ 20°C	1.075-1.085
Viscosity	Not available
pH	12.5-13.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	Approx. 100°C
Freezing point	Approx. -15°C
Foaming tendency	High
Concentration monitoring techniques	Not determined
Rinsing	Excellent

## INCOMPATIBILITY

Acids and strong oxidizing materials

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

20L	205L	1000L

## IMPORTANT

Before using **METASOL**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.

## PERSONAL PROTECTION
